Declaration of Conformity pursuant to Directive 2000/53/EC (End-of-Life Vehicles Directive)

Directive 2000/53/EC (End-of-Life Vehicles Directive) regulates the use of certain hazardous substances in end-of-life vehicles within the European Union to protect human health and the environment.

LSV Lech-Stahl GmbH hereby confirms compliance with Directive 2000/53/EC regarding the steel products processed by LSV and compliance with the limit values specified in the Directive.

This confirmation applies exclusively to steel products processed by LSV Lech-Stahl Veredelung GmbH. Subsequent modifications, post-treatment, or further processing of our steel products by other companies are excluded from this compliance. Compliance with Directive 2000/53/EC must be verified with the relevant companies.

Additional declarations of conformity with the GADSL, EC 1907/2006 (REACH) and 2011/65/EU (RoHS) directives can be found on our website at www.lech-stahlveredelung.de.
