LSV Lech-Stahl Veredelung GmbH

Declaration of Conformity in accordance with Directive 2011/65/EU “Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment,” as well as Delegated Directive 2015/863 (RoHS III)

The RoHS Directive 2011/65/EU (RoHS 2) and 2015/863/EU (RoHS 3) are intended to restrict the use of hazardous substances in electrical and electronic equipment within the European Union. The objective of the directive is to protect human health and the environment, in particular through the environmentally sound disposal and recycling of waste electrical and electronic equipment.

The steel products processed by LSV Lech-Stahlveredelung GmbH are not considered electrical or electronic equipment. Nevertheless, as a processor of steel products, we comply with the directive and hereby confirm that our products meet the limit values set forth in the directive. In the event of relevant changes affecting our products, LSV Lech-Stahl Veredelung GmbH will fulfill its duty to inform and notify our customers immediately.

This confirmation applies exclusively to steel products processed by LSV Lech-Stahl Veredelung GmbH. Subsequent modifications, post-treatment, or further processing of our steel products by other companies are excluded from this compliance. Compliance with Directive 2011/65/EU and Delegated Directive 2015/863 (RoHS III) must be verified with the relevant companies.

Additional declarations of conformity with the GADSL, 2000/53/EC, and EC 1907/2006 (REACH) directives can be found on our website at www.lech-stahlveredelung.de.
