Declaration of Conformity in accordance with the GADSL (Global Automotive Declarable Substance List)

The GADSL Directive specifies prohibited and reportable substances in products for the automotive industry.

LSV Lech-Stahl Veredelung GmbH hereby confirms compliance with the requirements of the GADSL Directive. Our steel products comply with the specified limit values and contain none of the listed prohibited substances.

This Declaration of Conformity is based on our current knowledge and the chemical composition of our products, as provided by our suppliers.

This confirmation applies exclusively to steel products processed by LSV Lech-Stahl Veredelung GmbH. Subsequent modifications, post-treatment, or further processing of our steel products by other companies are excluded from this compliance. Compliance with the GADSL Directive must be verified with the relevant companies.

Additional declarations of conformity with the EC 1907/2006 (REACH), 2000/53/EC, and 2011/65/EU (RoHS) directives can be found on our website at www.lech-stahlveredelung.de.
