LSV Lech-Stahl Veredelung GmbH

Declaration of Conformity pursuant to the REACH Regulation EC 1907/2006, Article 59 (10) Substances of Very High Concern (SVHC candidates):

To the best of our current knowledge, our products do not contain any of the “substances of very high concern” listed on the Candidate List of the European Chemicals Agency (ECHA) <https://www.echa.europa.eu/de/candidate-list-table>.

The products we process do not contain any substances of concern listed on the Candidate List in concentrations exceeding 0.1% by weight. Furthermore, we are in ongoing communication with our suppliers regarding the composition and ingredients of the products we source, in accordance with the REACH Regulation.

We comply with the obligation under Article 33 of the REACH Regulation and will immediately notify our customers if, based on new information, “substances of very high concern” are found in our products at concentrations exceeding the 0.1% threshold. We hereby confirm that all products comply with the REACH Regulation.

This confirmation applies exclusively to steel products processed by LSV Lech-Stahl Veredelung GmbH. Subsequent modifications, post-treatment, or further processing of our steel products by other companies are excluded from this compliance. Compliance with regulation EG 1907/2006 must be verified with the relevant companies.

Additional declarations of conformity with the GADSL, 2000/53/EC, and 2011/65/EU (RoHS) directives can be found on our website at www.lech-stahlveredelung.de.
